

Dharmagiri College Of Arts & Science

Cheruppadimala, Kunnumpuram, Kannamangalam
West PO, Pin 676305, Malappuram Dt, Kerala

Serve & Save

Dharmagiri college of Arts & Science is the pioneering venture in education by **Poovalloor Foundation**. The institution is the outcome of long cherished dream of pragmatic visionaries who have consummate experience in education and industrial sector both in India and abroad. The college is founded vto offer **quality education along with industrial exposure** by experts from both fields at an affordable cost. The college offers **graduate programmes in Arts, Science and Commerce streams**. The project is set in the mesmerizing landscape of lush green hillocks of Cheruppadimala, a famous scenic spot and tourist attraction near **Kondotty in Malappuram District**.

Mission

We are committed to offering quality education that evolves with time, integrating practical exposure and skill development to prepare students for immediate success in their careers and lifelong professional growth.

Vision

To be a premier institute that delivers quality education beyond all boundaries, nurturing knowledge, innovation, and strong values. We envision empowering students with global perspectives, critical thinking, and the confidence to lead, excel, and make meaningful contributions to society.
