Serve & Save

Dharmagiri college of Arts & Science is the pioneering venture in education by Poovalloor Foundation. The institution is the outcome of long cherished dream of pragmatic visionaries who have consummate experience in education and industrial sector both in India and abroad. The college is founded to offer quality education along with industrial exposure by experts from both fields at an affordable cost. The college offers graduate programmes in Arts, Science and Commerce streams. The project is set in the mesmerizing landscape of lush green hillocks of Cherupadi Mala, a famous scenic spot and tourist attraction near Kondotty in Malappuram District.

✦ Vison ✦

To be a premier institute which offers quality education crossing all boundaries

✦ Mission ✦

Offering high quality and updated education with practical experience which a student could employ in the job market without further training
